

August 9, 2016

Good Day,

On July 24th, Team DDR Corp. completed the 4-day, 328-mile, Pan Ohio Hope Ride from Cincinnati to Cleveland. Because of your generous contribution, we have raised \$23,000 to support the Ohio Hope Lodge Program. Collectively, the 2016 Pan Ohio Hope Ride event has risen over \$930,000 in support of the Ohio Hope Lodges!

The Hope Lodge Program provides accommodations, transportation and financial support services for those individuals and their families, who are actively fighting cancer. Hope Lodge guests may be from out of town, state, or even country, and have the ability to receive the most appropriate and compressive treatment options, because of proximity of the Hope Lodges to major hospital systems. Your contribution supports these patients with the resources to fight this disease and a pillow to rest on, after days of long and arduous battles.

We are proud to have had you, our colleagues, friends and family members, join us in support of this worthy cause. Your support is sincerely appreciated. As a sign of our gratitude, please accept the enclosed photo. We hope you'll display it prominently, and that when you see it you'll be reminded of, and proud of, your part in the fight against cancer.

Sincerely and Respectfully,

Joe Chura
Senior Vice President of Construction Management
